Look beyond my face and love me,
I'm not the good girl you should know!
There was a time when
I thought of you!
There was a time when
you thought of me!
Look in my eyes
and say you love me!
Look in my eyes
and say you want me!

I'm just more, I'm just more,
I'm just more, I'm just more,
I'm just more, I'm just more!

It's too late to look beyond!
It's too late to darn my socks!
I left my shoes left you behind!
Ran barefooted through the crowd, yeah!
There's another word for love!
There's another word of course!
I'm just more,
than you can see obviously!

I'm just more, I'm just more,
I'm just more, I'm just more,
I'm just more, I'm just more!
There's another word for love!
There's another word of course!
I'm just more,
han you can see obviously!

It's too late to look beyond!
It's too late to darn my socks!
I left my shoes left you behind!
Ran barefooted through the crowd, yeah!
There's another word for love!
There's another word of course!
(I'm just more!)
I'm just more,

han you can see obviously!

I'm just more,I'm just more,
I'm just more,I'm just more,
I'm just more,I'm just more!
I'm just more,I'm just more,
I'm just more,I'm just more,
I'm just more,I'm just more!
I'm just more,I'm just more,
I'm just more,I'm just more,
I'm just more,I'm just more!
I'm just more,I'm just more,
I'm just more,I'm just more,
I'm just more,I'm just more!

I'm just more!
