I thought I had driven you out of my mind
When I crossed that bridge on memory lane
And burned it one more time
I told myself it's over
And I'm finally free
But just when I thought I had buried your memory
It shows up just like a bad penny.

Chorus:

An old memory found its way back home again
Old feelings that I thought I'd lost
Have found their way back in
Like an old dog that you drop off just outside of town
Uninvited coming back anyhow
An old memory found its way back home again.

I swept every room when I cleaned house
Tore up your old love letters
And threw all of your pictures out
But I can't throw away what I can't see
I guess I fooled myself into believing
Forgetting you was gonna be easy,

Chorus:

An old memory found its way back home again
Old feelings that I thought I'd lost
Have found their way back in
Like an old dog that you drop off just outside of town
Uninvited coming back anyhow
An old memory found its way back home again.

Why can't I keep your memory away
It's like a fire I can't put out
A cold that I can't shake.

Chorus:

An old memory found its way back home again
Old feelings that I thought I'd lost
Have found their way back in
Like an old dog that you drop off just outside of town
Uninvited coming back anyhow

An old memory found its way back home again.

Yeah, an old memory found its way back home again...
