I took some time to clear my mind
And give myself a change of atmosphere
I had some fun lyin' in the sun
Daytona's nice this time of year

I saw lovers hand in hand building castles in the sand
And doin' all the things we did back then
But just when I think I'm through loving you
You're back on my mind again

Back on my mind time after time
I wonder if this heart will ever mend
'Cause just when I think I'm through loving you
You're back on my mind again

I came out of my shell, really doing well
I met someone who thinks the world of me
She talks of rings and whispers loving things
She's everything you'd want a girl to be

But when she holds me tight the feeling isn't right
It seems as though I'm never gonna win
'Cause just when I think I'm through loving you
You're back on my mind again

Back on my mind time after time
I wonder if this heart will ever mend
'Cause just when I think I'm through loving you
You're back on my mind again

Back on my mind time after time
I wonder if this heart will ever mend
'Cause just when I think I'm through loving you
You're back on my mind again
