Help me to be more like Him

God grant me the courage to walk in your footsteps
Of the one you that sent long ago
Always beside me as I come to the crossroad
Gently showing me which way to go
At times when I stumble
Let me lean on your mercy
Put me back on the pathway again
Wherever Iâ€™m goinâ€™ whatever Iâ€™m doinâ€™
Help me to be more like Him

Open my eyes to the road thatâ€™s before me
I know youâ€™ll be there at the end
God every day I fall short of your glory
Please help me to be more like Him

I look all around me and this old world is changing
I donâ€™t know how long I must stay
But with your hand upon me
Iâ€™ll do your work Lord
And try to show others the way
When the day finally comes when the angles come for
me
To be with my loved ones again
Till Iâ€™m safe in the arms of my almighty savior
Help me to be more like Him

Open my eyes to the road thatâ€™s before me
I know youâ€™ll be there at the end
God every day I fall short of your glory
Please help me to be more like Him
God every day I fall short of your glory
Help me to be more like Him
Please help me to be more like Him
