From what I've been hearing dear you really got it  
made  
You've got a lot of girls on your lovers hit parade  
But if I could be your number one, well, I don't know  
what I'll do  
I wanna be pulled up to the top I'm so in love with you

On your hit parade of love I know I'll never stop  
I've got a long long way to climb before I reach the top  
But if I will get there soon I'll really have it made  
Then I'll know I'm number one on your lover's hit  
parade

Now if we can work together like all good lovers should  
We can make a go of it everything will turn out good  
We can have so much fun we'll really have it made  
Then I'll know I'm number one on your lover's hit  
parade

On your hit parade of love I know I'll never stop  
I've got a long long way to climb before I reach the top  
But if I will get there soon I'll really have it made  
Then I'll know I'm number one on your lover's hit  
parade

On your hit parade of love I know I'll never stop  
I've got a long long way to climb before I reach the top  
But if I will get there soon I'll really have it made  
Then I'll know I'm number one on your lover's hit  
parade  
Then I'll know I'm number one on your lover's hit  
parade
