There was a great revival, in our little country church
People came from miles around, to hear about God's
word
Anointed in the spirit, you could feel it in the air
My life was changed that night,
As I bowed my head in prayer

CHORUS

I heard my Savior, calling me
On that blessed night, I fell down on my knees
Well I raised my hand to Jesus; pure faith had set me
free
Praise God I see the light my Savior's calling me

BREAK

I'm so thankful for a Savior, who would make the
sacrifice
In a selfless loving gesture, giving us eternal life
Yes an offer for the taking, listen with an open heart
It's a choice that's up to you, hear the Savior calling too

CHORUS-TWICE

Praise God I see the light I heard my Savior calling me
