I hear that wind a-blowing through the lonesome pine
And I know my love is gone too
I hear that wind a-blowing through the lonesome pine
That's why I'm blue, love, so blue

He's gone so far away that's why I'm grieving
He's left me here alone among the trees
And all that I have left is just a memory
And it always haunts me with a breeze

I hear that wind a-blowing through the lonesome pine
And I know my love is gone too
I hear that wind a-blowing through the lonesome pine
That's why I'm blue, love, so blue

I'll leave the day they try to find my darling
I don't know where on earth he could be
I only know that I can't live without you
Each night in dreams his face is all I see

I hear that wind a-blowing through the lonesome pine
And I know my love is gone too
I hear that wind a-blowing through the lonesome pine
That's why I'm blue, love, so blue

I hear that wind a-blowing through the lonesome pine
And I know my love is gone too
I hear that wind a-blowing through the lonesome pine
That's why I'm blue, love, so blue

That's why I'm blue, love, so blue
That's why I'm blue, love, so blue
