The pathway of teardrops
Will show you the way
If you ever want to come back to me
You know dear that I cry
Both night and day
Since you told me you could never be true.

I love you so, still I let you go
Now I'm sending this message to you.

The pathway of teardrops
Will show you the way
If you ever want to come back to me.

I love you so still I let you go
Now I'm sending this message to you.

The pathway of teardrops
Will show you the way,
If you ever want to come back to me.

If you ever want to come back to me.
