(Billy Sherrill - Glenn Sutton)

Last night he called from Dallas  
He was havin' a beer at the Crystal Palace  
He said honey, you won't be alone for long  
I got to make just one more stop  
To pick up a ring in Little Rock  
And I'm a gonna head this semi straight for home.

He's got that big ole engine singin'  
Singin' my favorite song  
And I know he's headin' my way  
Rollin' down the highway  
Tonight my baby's comin' home.

Instrumental

Fourteen wheels a whinin'  
Four big headlights shinin'  
Him and that semi been away too long  
Hope he don't get stop from speedin'  
'Cause I've got everything he's needin'  
Waitin' for him right here at home.

He's got that big ole engine singin'  
Singin' my favorite song  
And I know he's headin' my way  
Rollin' down the highway  
Tonight my baby's comin' home.

Instrumental

For ten thousand miles I've missed him  
It's been a week since I kissed him  
And forty truckstops since I held him tight  
A million chick and he can get 'em  
They wanna make love and he won't let 'em  
The only thing he wants he'll get tonight.

He's got that big ole engine singin'  
Singin' my favorite song  
And I know he's headin' my way

Rollin' down the highway  
Tonight my baby's comin' home.

And I know he's headin' my way  
Rollin' down the highway  
Tonight my baby's comin' home.

Instrumental
