(Harley Allen)

When memories do dances  
Around you in the dark  
You'll fear of new romances  
When we part  
But you got to take your chances  
And let a new love start  
And I just want to tell you  
Heart to heart

Chorus

When love arrives  
When love arrives  
Don't be afraid to let that love inside  
When love arrives  
Now when it's finally over  
The hardest part of all  
Is knowing this can happen  
When you fall  
So when you meet another  
I hope that you'll recall  
I want you to be happy after all

Chorus
