I remember all the things you said dear
On the day that you told me goodbye
You said I may as well accept it
And that there's no reason to cry

Tell me who's cryin' baby
Who's feelin' blue
Who just don't care anymore
Who's forgettin' who

You told me I would be so lonesome
You said that I'd be mighty blue
And that it wouldn't be so easy
For me to forget about you

Tell me who's cryin' baby
Who's feelin' blue
Who just don't care anymore
Who's forgettin' who

I hear distress has come upon you
In the house that we once made a home
They say that life'll teach you lessons
You did me wrong and now you're all alone

Tell me who's cryin' baby
Who's feelin' blue
Who just don't care anymore
Who's forgettin' who

Tell me who's cryin' baby
Who's feelin' blue
Who just don't care anymore
Who's forgettin' who

Tell me who's cryin' baby
Who's feelin' blue
Who just don't care anymore
Who's forgettin' who

Who just don't care anymore
Who's forgettin' who
