"Dragonflies"

Dragonflies, as red as sunset,
Back when I was young
In twilight skies,
There on her back I'd ride
When the day was done

Mountain fields, in late November
Long ago it seems
Mulberry trees and treasures we would gather
Was it only just a dream?

Just fifteen, she went away one day
Married then so young
Like a sister lost, I loved and missed her
Letters never seemed to come

Dragonflies, as red as sunset
Back when I was young
Now in my eyes,
When I see dragonflies
Tears are always sure to come
