"My country home"

Back in the mountain I knew as a child
Fish filled the river and rabbits ran wild
Memories, I carry these, wherever I may roam
I hear it calling me, my country home

Mother and father how I miss you now
How are my friends I lost touch with somehow?
When the rain falls or the wind blows
I feel so alone
I hear it calling me, my country home

I've got a dream and it keeps me away
When it comes true, I'll go back there someday
Crystal waters, mighty mountains,
Shining like an emerald stone,
I hear it calling me, my country home
