It was a stormy night,  
Fearsome thunder made it bright  
As we were lying in our holes  
Waiting for the other foes  
Our enemies were near  
They could smell our fear  
They were marching upon the hill  
With the order to kill

Can you hear the drums?  
Can you hear the bombs?  
Can you see the sons,  
Of our beloved ones?

Chorus:  
Fight, Fight, till you die  
March, March, till you cry  
Brothers, C'mon lets go  
Until we reach the Devils door  
To hell, we are going  
In hell, we eat  
To hell, we are marching  
In hell, we sleep

Generals were shouting  
The whole world was fighting  
The devil was whispering  
Keep on igniting  
Thousands have died  
Their mothers will cry  
Their sons will live  
But they will never forgive

Can you hear the drums?  
Can you hear the bombs?  
Can you see the sons,  
Of our beloved ones?

Chorus:  
Fight, Fight, till you die  
March, March, till you cry

Brothers, C'mon lets go  
Until we reach the devils door  
To hell, we are going  
In hell, we eat  
To hell, we are marching  
In hell, we sleep

Fight, Fight, till you die  
March, March, till you cry  
Brothers, C'mon lets go  
Until we reach the devils door  
To hell, we are going  
In hell, we eat  
To hell, we are marching  
In hell, we sleep.
