Not a dry eye in the house
after love's curtain comes down
Listen and you'll hear the sound
Hear the sound of a heart breaking

I can still see you standin' there
Midnight wind blowin' through your hair remember
Kisses sweet in the salty air
When love was forever
Turn the page and we fade to blue
Scene has changed now I'm without you
Well you just walked away when the act was through
And the dream
Was over

It was almost like a movie - the way you said goodbye
You must have spent a lot of time rehearsing each and
every line

Now there's not a dry eye in the house
After love's curtain comes down
Listen and you'll hear the sound
Hear the sound of a heart breaking - breaking

Not a smile left on my face
The ending's just too sad to take
And there's not a dry eye
Not a dry eye in the house

The greatest story was you and me
We had it all we had everything
But now the story's done, it's just history
The last act is over
Your every line had the sweetest sound
Your every touch turned my world around
But then the light came up and my world crashed down
End of show - it's over
It was almost like a movie, those nights we touched the
stars
Time stood still for you and I now it's sad enough to
make you cry

And there's not a dry eye in the house
After love's curtain comes down
Listen and you'll hear the sound
Hear the sound of a heart breaking - breaking
Not a smile left on my face
The ending's just too sad to take
And there's not a dry eye
Not a dry eye in the house

Act One: The story's just begun
Act Two: I fell in love with you
Act Three: Knew it was meant to be
Act Four: You don't love me no more

And there's not a dry eye in the house
After love's curtain comes down
Listen and you'll hear the sound
Hear the sound of a heart breaking - breaking
Not a smile left on my face
The ending's just too sad to take
And there's not a dry eye, not a dry eye
Not a dry eye in the house
After love's curtain comes down
Listen and you'll hear the sound
Hear the sound of a heart breaking - breaking
Not a dry eye in the house
Not a dry eye in the house
Not a dry eye in the house
