Who can say for certain  
Maybe you're still here  
I feel you all around me  
Your memory, so clear

Deep in the stillness  
I can hear you speak  
You're still an inspiration  
Can it be  
That you are mine  
Forever love  
And you are watching over me from up above

Fly me up to where you are  
Beyond the distant star  
I wish upon tonight  
To see you smile  
For now I love the world, I know you're there  
A breath away not far  
To where you are

Are you gently sleeping  
Here inside my dream  
And isn't faith believing  
All power can't be seen  
As my heart holds you  
Just one beat away  
I cherish all you gave me everyday  
'Cause you are my  
Forever love  
Watching me from up above

And I believe  
That angels breathe  
And that love will live on and never leave

Fly me up  
To where you are  
Beyond the distant star  
I wish upon tonight  
To see you smile  
If only for awhile to know you're there

A breath away not far  
To where you are

I know you're there  
A breath away not far  
To where you are
