Back to the marshes!  
Back through the depths!  
Rejoice in madness;  
'Til your dying breath!

only humanity will fall! x2

Back to the marshes!  
Back through the depths!  
Rejoice in madness;  
'Til your dying breath!

Back to the marshes!  
Back through the depths!  
Rejoice in madness;  
'Til your dying breath!

only humanity will fall! x2

(Reality indeed) x2

Back to the marshes!  
Back through the depths!  
Rejoice in madness;  
'Til your dying breath!

only humanity will fall! x2

Back to the marshes!  
Rejoice in death!  
We'll make you suffer  
'Til your dying breath!

Your death is near now!  
Take a breath in your lungs!  
We'll make you see reality!  
and nothing more!

only humanity will fall! x4
