Its here Iâ€™ll hide, when worlds collide,
when lights are out and music dies,
with you.

When all is over, curtains down.
Iâ€™ve said my lines, I took my bow
for you.

Be near when all is said and done?
Will you be near to see the morning sun?
Be near to me as days go by
with a few hellos and thousand more goodbyes,
a thousand more goodbyes.

Itâ€™s here Iâ€™ll rest when years have passed,
when silence falls then I will call
for you.

When there are no more words to say
and no more tears to cry Iâ€™ll stay
with you.

Be near when all is said and done?
Will you be near to see the morning sun?
Be near to me as days go by
with a few hellos and thousand more goodbyes,
a thousand more goodbyes.

Be near when all is said and done
will you be near to see the morning sun
Will you be near when all is said and done
will you be near to see the morning sun.
Be near to me as days go by
with a few hellos and thousand more goodbyes,
a thousand more goodbyes.
