"In the Silence"

Limbs are frozen to the ground.
There's no movement and there's no sound.
Staring straight into the light.
It's running deep through my veins and up my spine.

The tide is rushing in on me.
It's getting harder now to breathe.
Oh and they're all telling me to leap.
I close my eyes so I can't see.

In the silence I'll be waiting for you.
In the quiet I'm calling on you
to take my love and take my fear.
Make it disappear.
In the brightness I'll be dreaming of you.
In the stillness I'm screaming for you
to take my love and take my fear.
Make it disappear.

Treading water in the cold.
Something's stirring and my fear unfolds.
But still I stare into this light.
It's running deeper through my veins and up my spine.

The tide is rushing in on me.
It's getting harder now to breathe.
Oh and they're all telling me to leap.
I close my eyes so I can't see.

In the silence I'll be waiting for you.
In the quiet I'm calling on you
to take my love and take my fear.
Make it disappear.
In the brightness I'll be dreaming of you.
In the stillness I'm screaming for you
to take my love and take my fear.

Make it disappear.
