Melody: Walter Thut

Words: Urs Odermatt, Marcel Brun

Hey Baby, you're a lookin' swell
With your tight wide skirt and pony-tail
Your honey sweet lips and long soft hair
I think it's time I got outta here

A broken heart or an achin' head
Wish I could 'member all the things I said
I can't decide between a Jack or you
But a Jack is always true

Your pretty face is like an angel
And your hot body tempts me so
I know I must be really careful
So I'll simply have to tell you no

A broken heart or an achin' head
Wish I could 'member all the things I said
I can't decide between a Jack or you
But a Jack is always true

Touch me with your soft caress
Press your body next to mine
All I want is one sweet little kiss
The Lord sure made you real divine

A broken heart or an achin' head
Wish I could 'member all the things I said
I can't decide between a Jack or you
But a Jack is always true
But a Jack is always true
