Melody: Urs Odermatt

Words: Urs Odermatt

It's not to be for fifty years
The world is so crazy
The people are superficial and stupid
The City-Folks thinkin'
That's allright
Well this is a crazy world

I hate the modern music
And the Disco-Boom
And I think
That's a crazy world

I like Jazz and Country Musik
Rock'n'Roll and Blues
The Texas-Rockabilly are my favourite
This is hand-made music
Not from computer
I like it, that's so beautiful
I hate the modern music
And the Disco-Boom
And I think
That's a crazy world

I'm drinkin' whiskey at night
Smokin' my cigarette
Listen into my music from the radio
I feel free and so happy
Working on my Bike
And Hillbilly playin' from my Guitar

I hate the modern music
And the Disco-Boom
And I think
That's a crazy world
