Melody: Urs Odermatt

Words: Urs Odermatt, Linda Steele

Now, it's time to say goodbye
Please my Darling don't cry
I know, I broke your heart in two
My Gal, I was in love with you

But you tried, to put me in a prison
And you know, that's my only reason
I'm goin' to have to say goodbye
My love for you has died

I know I promised you forever
And that we'd always be together
The love we shared was so true
I'm so sorry I've made you blue

But you tried, to put me in a prison
And you know, that's my only reason
I'm goin' to have to say goodbye
My love for you has died

And now the time for me has come
I feel the need to run
Wild and free again to roam
So now, please leave me alone

But you tried, to put me in a prison
And you know, that's my only reason
I'm goin' to have to say goodbye
My love for you has died
My love for you has died
