Melody: Urs Odermatt

Words: Urs Odermatt, Nadja M

Just a little kiss on you  
Darling are'nt you lonesome too?  
Come on Baby hold on tight  
cause tonight is right  
Come on and kiss me too  
Oh Baby I love you

You write me a love letter  
And I feel so much better  
You call me on the Phone  
And my blue feelings are gone

Just a little kiss on you  
Darling are'nt you lonesome too?  
Come on Baby hold on tight  
cause tonight is right  
Come on and kiss me too  
Oh Baby I love you

When I hold you in my arms  
I feel real lucky and warm  
When I look into your eyes  
It's the truth and not any lies

Just a little kiss on you  
Darling are'nt you lonesome too?  
Come on Baby hold on tight  
cause tonight is right  
Come on and kiss me too  
Oh Baby I love you

Well I know you're not the kind  
who is easy to find  
Yeah I guess my love is right  
Cause I got the greatest bike!

Just a little kiss on you  
Darling are'nt you lonesome too?  
Come on Baby hold on tight

cause tonight is right  
Come on and kiss me too  
Oh Baby I love you
