Chorus:

In my heart theres only you  
Girl your love's a dream come true  
Hold me close don't let me go  
In my heart you're all I know  
Repeat (2x)

So many times before I've seen you pass my way  
The visions of your lovliness forever will stay  
In my heart in my soul love is taking control  
Your the lady in my life, on my mind night and day  
And I've got to let you know  
How much your love has changed my world  
No one has ever meant so much to me  
You're my fantasy girl.

Chorus

My thoughts are only of you  
I'm wodering how you feel  
Cause love is in my heart  
But only time would reveal  
If you do feel the same or if my love all in vain  
Girl I've got to know for sure if your love is for me  
And I've got to let you know  
How much your love has changed my world  
No one has ever meant so much to me  
You're my fantasy girl

Chorus (2x)
