Look at all those soldiers.
La la la la la la
Following their orders
La la la la la la
Watch them wreck the towers in a plane (What?)

See the man who's evil
La la la la la la
Isn't he a weevle
La la la la la la
Can we shoot him down at an time.

Why does he wan't to hurt me
La la la la la la
Is it becaues I'm jewish
La la la la la la
Or because he wants to start a war

And now we want to blow up all those people in the
world. half a dozen
Secret service officers are breaking the news.

Look at George W Bush
La la la la la la
Isn't he a push
La la la la la la
Or is he an idiot (YES!)
