Na na na na
Na na na na na na
Na na na na
Na na na na na na

I like the taste
That's why I swallow the lies
'Cos everybody needs faith
If they want to, to survive

Give me your hand
Ohh I will fall to my knees
In such a pitiful sham
I was born to believe

Ohh I don't care whatever
Just kill the pain and stop the ache
Whatever it takes

Lie to me, I'm happy
And in your arms I will escape
You're my brilliant fake

Na na na na
Na na na na na na
Na na na na
Na na na na na na

All of my life
I've never known what was real
But does it matter what's right
If you like what you feel?

Ohh I don't care whatever
Just kill the pain and stop the ache
Whatever it takes

Lie to me, I'm happy
And in your arms I will escape
Oh my brilliant fake

Na na na na

Na na na na na na
Na na na na
Na na na na na na

Na na na na
Na na na na na na
Na na na na
Na na na na na na
