Everything I thought I knew, turned out to be wrong  
Now I know it's up to you, you to come along

I don't know how things would be if you were by my  
side  
If you'd choose to come with me, I'd take you for a ride

I'm breaking up, I'm breaking free  
Bring it on, Bring it on to me  
I'm not afraid to lead the way  
Take a chance, follow me

Never in my life have I found some much to be done  
I will kick and I will scream to ride to number one

No one knows where a risk will lead, if only they would  
try  
All my blood, my sweat, my tears, I will lay it on the line

I'm breaking up, I'm breaking free  
Bring it on, Bring it on to me  
I'm not afraid to lead the way  
Take a chance, follow me

I'm breaking up, I'm breaking free  
Bring it on, Bring it on to me  
I'm not afraid to lead the way  
Take a chance, follow me

Follow me, no matter where we are  
Follow me, everything will be alright

(Violin solo)

I'm breaking up, I'm breaking free  
Bring it on, Bring it on to me  
I'm not afraid to lead the way  
Take a chance, follow me

I'm breaking up, I'm breaking free  
Bring it on, Bring it on to me

I'm not afraid to lead the way  
Follow me, Follow me, Follow...
