Tell me have you ever felt down? I'm sure you have
Tell me have you ever felt like aren't right, I know you
have
When everything is said and done, When everything
has lost it's fun
Do you lose control and just give up?

Things fall apart, dreams are shot to hell
Better change direction, Leave behind where you fell
Find yourself in the ashes of yesterdays mistakes
Dig a little deeper, you will find your place

Tell me can you fight for yourself? I'm sure you can
Tell me can you turn your life around? I know you can
When everything is said and done, When everything
has lost it's fun
Do you lose control and just give up?

When your feeling low and have no hope
When you've got no strength and you can't cope
Do you feel scared, weak inside?

Things fall apart, dreams are shot to hell
Better change direction, Leave behind where you fell
Find yourself in the ashes of yesterdays mistakes
Dig a little deeper, you will find your place

I know it's hard, It's hard to move on, to come and
restore me (?)
Don't give up on anything, I know your stronger
I know your stronger than that

(Violin Solo)

Things fall apart, dreams are shot to hell
Better change direction, Leave behind where you fell

Find yourself in the ashes of yesterdays mistakes
Dig a little deeper, you will find your place
