Fools they think I do not know, the road I'm taking  
If you meet me on the way, hesitating  
That is just because I know which way I will choose

The corridors of discontent, that I've been travelling  
On the lonely search for truth, the world's so  
frightening  
Nothing's going right today, cos nothing ever does

I don't wanna know your secrets  
They lie heavy on my head  
Let's break the night with colour  
Time for me to move ahead

Love this life if you get a little light  
[x4]

Monday morning coming down, lack understanding  
Mama thinks you are the clown, your looking so  
frightening  
Nothing's going right today, cos nothing ever does

I don't wanna know your secrets  
They lie heavy on my head  
Time for me to break my cover  
Time for me to move ahead

(You think of giving it up, here we go again)  
(You think of giving it up, here they come again)

I don't wanna know your secrets  
They lie heavy on my head  
Let's break the night with colour  
Time for us to move ahead  
I said I don't wanna know your secrets  
They lie heavy on my head  
Time, let's break the night with colour  
Time for me to move ahead

(You think of giving it up)
