Ooh-oooh yeah  
Ooh-oooh yeah  
Ooh-oooh yeah

Are you ready?  
Ooh, are you ready for the day?  
He's gonna come back down to earth  
I hope you're gonna pray

That you're with us  
Hmm, as we beam Him right up  
He's got a little place for me  
In his loving cup

Are you ready?  
Ooh, ready to see?  
I'm out here in Babylon  
Come out here with me

Are you ready?  
Ah, are you ready?  
Ah, are you ready?  
Are you ready, are you ready?

Are you ready?  
Ah, are you ready?  
Ah, are you ready?  
Are you ready, are you ready?

Please, I'm ready  
'Cause I've lived a life of sin  
And I heard that us sinners  
Have got a chance with Him

Suicidal, ooh, yeah  
Deep inside my soul  
I've been praying there's somewhere else  
For me to go

Come on, people  
Ooh, don't you hear my pain?  
I'm out here in Babylon

Waiting for the day

Are you ready?  
Are you ready?  
Are you ready, are you ready  
Are you ready?

Are you ready?  
Are you ready?  
Are you ready, are you ready  
Are you ready?

Neither Muslim  
Ooh, Sikh, Buddhist too  
I feel so damn free  
I don't need a word with you

I ain't Christian  
Oh, I ain't gay or straight  
I am just living life  
In my own peculiar way

Come on, people  
Ooh, fight around the world  
Trying to force things on me  
You know I'm different, girl

'Cause I'm ready  
Ah, I'm ready  
Ah, I'm ready, yes, I'm ready  
Yes, I'm ready

Ah, I'm ready  
Ooh yes, I'm ready  
Ooh, I'm ready, yes, I'm ready  
Yes, I'm ready

Ooh, I'm ready  
Ooh, I'm ready  
Yeah, I'm ready, yes, I'm ready  
Yes, I'm ready

Yes, I'm ready  
Ah, I'll paint the town with blood  
I've been losing so damn much  
Since I'm feeling love

With people  
Ah, yeah, the whole damn human race  
I wanna push you in my arms  
And give you a love embrace

I'm ready  
Oh, I ain't no freedom train  
'Cause the way that we are headed, yeah  
There is no thing as pain

Yes, I'm ready  
Ooh, I've had a season in hell  
And I'm getting pretty tired down here  
Oh, please break the spell

Ah, Jesus  
Sweet Jesus, can't You hear?  
Please don't leave us on our own  
Living here with fear

I'm ready  
Yes, I'm ready  
I'm ready, yes, I'm ready  
Yes, I'm ready

I'm ready  
Yes, I'm ready  
I'm ready, yes, I'm ready  
Yes, I'm ready

Yes, I'm ready  
Yes, I'm ready  
Yes, I'm ready, yes, I'm ready  
Yes, I'm ready
