Love is the law, pure perfection
I'm born again, yeah
Who said love was a losing game?
I got light, man, I feel no pain
'Cause I'm born again, yeah

Now get up when you're on the floor
(Soul, body, mind, soul)
Get up, do ya wanna fight some more?
(Body, mind, soul, body)
Now get up, ah
(Mind, soul, body, mind, soul, body, mind, soul)

I saw Venus up in the sky
I turned down my head and Serena smiled
And I'm born again, yeah
I held the hand of a crying girl
Brooklyn tears, yeah, I've felt the spell
I was born again, yeah

Now get up when you're on the floor
(Soul, body, mind, soul)
Get up, do ya wanna fight some more?
(Body, mind, soul, body)
Now get up, ah
(Mind, soul, body, mind, soul, body, mind, soul)

Yes, it's life, at the end, you know
(Soul, body, mind, soul)
That it's light, there's no need to cry
(Body, mind, soul, body)
Through the night, ah
(Mind, soul, body, mind, soul, body, mind, soul)

Now I'm a man who ain't afraid
I've destroyed my ego just to make the space
'Cause I'm born again, yeah
And when I feel a melody
I get a righteous charge right through me
Yeah, I'm born again, yeah

Now get up when you're on the floor
(Soul, body, mind, soul)
Just get up, don't wanna fight no more
(Body, mind, soul, body)
Now get up, ah
(Mind, soul, body, mind, soul, body, mind, soul)

'Cause that's life and in the end you know
(Soul, body, mind, soul)
That it's light, there's no need to cry
(Body, mind, soul, body)
Through the night, ah
(Mind, soul, body, mind, soul, body, mind, soul)

All together now
(Na, nana-na-nana, nana-na-na)
Come on, one life, one life, let's go
(Na, nana-na-nana)
Oh yeah, oh yeah, oh yeah, oh yeah, oh yeah, oh yeah
(Nana-na-na)

One nation, one nation, one nation, one nation
The world is spinning and, man, I am winning
One love, one nation, music, location
(Na, nana-na-nana, nana-na-na)
It's here, you feel it, spirit, I clean it

My body's moving, it's moving, it's moving
One life, come on, one love
(Na, nana-na-nana, nana-na-na)
My, oh my, music, I hear it, my spirit, clean it

Are you alive with me, lie with me, lie with me, lie with
me
(Na, nana-na-nana, nana-na-na)
Moving, I'm moving, I'm moving
(Na, nana-na-nana, nana-na-na)
