Fools they think I do not know the road I'm taking
If you meet me on the way hesitating
That is just because I know which way I will choose

The corridors of discontent that I've been travelling
On the lonely search for truth, the world's so
frightening
Nothing's going right today 'cos nothing ever does

Ooh, ooh I don't wanna know your secrets
Ooh, ooh, they lie heavy on my head
Ooh, ooh, let's break the night with colour
Time for me to move ahead

Love this life if you get a little light
Love this life if you get a little light
Love this life if you get a little slight
Love this life if you get a little slight

Monday morning coming down, lack understanding
Mama thinks you are the clown, you're looking so
frightening
Nothing's going right today 'cos nothing ever does

Ooh, ooh, I don't wanna know your secrets
Ooh, ooh, they lie heavy on my head
Time for me to break my cover
Time for me to move ahead

You think of giving it up, here we go again
You think of giving it up, here we come again

Ooh, ooh, I don't wanna know your secrets
(You think of giving it up)
Ooh, ooh, they lie heavy on my head
(You think of giving it up)

Ooh, ooh, let's break the night with colour
(You think of giving it up)
Time for us to move ahead
(You think of giving it up)

I said, ooh, ooh, I don't wanna know your secrets
(You think of giving it up)
Ooh, ooh, they lie heavy on my head
(You think of giving it up)

Time to let's break the night with colour
(You think of giving it up)
Time for me to move ahead
(You think of giving it up)
(You think of giving it up)
(You think of giving it up)
