(Check the meanin')

When I'm low and I'm weak and I'm lost I don't know
who I can trust

Paranoia the destroyer, uh comes knockin' on my door
You know the pain drifts to days turns to nights but it
slowly will subside

And when it does I take a step, I take a breath, I wonder
what I'll find

Can you hear what I'm sayin'?

Got my mind meditatn' on love, love

Feel what I'm sayin'

Got my mind meditatn' on love, love

The human condition

The human condition

Too much blood, too much hate, turn off the set

There's got to be something more

When Mohamed, Allah, Buddha, Jesus Christ

Are knocking down my door

I'm agnostic getting God, but man she takes a female
form

There's no time no space no law, we're out here on our
own

Can you hear what I'm sayin'?

Got my mind meditatn' on love, love

Feel what I'm sayin'

Got my mind meditatn' on love, love

Check the meanin'

The human condition

Check the feelin'

The human condition

Guess it's life doin' it's thing

Making you cry, making you think, yeah life dealin' it's
hand

Making you cry and you don't understand life

Doin' it's thing, making you cry now, making you think
of pain

Doin' it's thing, making you cry, yeah making you sing

Don't say it, don't say it's too late
Don't, don't say it's too late
(It's never too late, it's never too late)
Don't, don't say it's too late
(It's never too late)
Don't, don't say it's too late
The human condition, the big decisions
The human condition, the big decisions

I'm like a fish with legs, I fell from the tree, I made a
rocket
(Check the meanin')
I made a wheel, all right I made a rocket
(Check the feelin')
I swam the ocean
(Check the meanin')
I saw a moon
(Say a prayer)
I seen the universe
(And beyond)
I see you
(Check the feelin')
I see me
(Check the meanin')
That's my reality
And while the city sleeps we go walkin'

Come on, it's a beautiful world
And when the city sleeps we go walkin'
We find a hole in the sky and then we start talkin'
And then we say Jesus Christ, Jesus Christ, Jesus Christ
Buy us some time, buy us some time

Hear what I'm sayin'
Can you hear what I'm sayin'?
Can you hear what I'm sayin'?
Can you hear what I'm sayin'?
Ooh hoo hoo, oh mmm mmm mmm
It's gonna be alright
