Sometimes I feel like I can't move on

But then life is turning me on  
But I still see clearly when I see you smiling

You know when nothing seems to fit  
I couldn't see my way through the shit  
But every single second of my waking day

Was thinking of you  
Thinking of you  
You never know  
That I am alive  
I am alive I wanna grow

And there are so many things I can do  
Just like falling in love with you

Take my hand now understand me  
You can come here too

C'mon people we're making it now  
Yeah yeah yeah yeah  
C'mon people we're making it now  
Yeah yeah yeah yeah

But today I've worked it  
I've got something I can shout about  
Someone who believes in all the things I'm thinkin'

But where have you gone  
Where have you gone  
I'll never know  
For I am alive  
I am alive I wanna grow

And there are so many things I can do  
Just like falling in love with you  
Take my hand now understand me  
You can come here too

C'mon people we're making it now

Yeah yeah yeah yeah  
C'mon people we're making it now  
Yeah yeah yeah yeah  
C'mon people we're making it now

If only you could be with us  
Oh

Yeah

I feel fine now  
I feel fine now  
Oh no no don't stop now  
No no no  
I feel fine now  
Oh no no don't stop now  
Oh no no  
Oh no no don't stop now  
C'mon people we're making it now  
If only you could be with us
