Glory, Hallelujah
I think I'm coming through, yeah
Out of the black, out of the blue
Out of the old, into the new

Come on, pick me up
Through the night, you know you fill my cup
Bring me light, love, you bring me luck, yeah, it sure
feels good
You bring me luck, yeah, it sure feels good

Now, babe, don't get heavy with the soul
There's so much that I want you to know
I'm in Fellini's bar, I swear I couldn't get this lost
Oh, now but my time has come and this could be
What I thought it should have been

You know you pick me up
Through the dark, you know you fill my cup
Bring me light, love, you bring me luck, yeah, it sure
feels good
You bring me luck, yeah, it sure feels good

Glory Hallelujah
I think I'm coming through, yeah
Out of the black, out of the blue
Out of the old, into the new

Come on, pick me up
Through the night, you know you fill my cup
Bring me light, love, you bring me luck, yeah, it sure
feels good
You bring me luck, yeah, it sure feels good

Hallelujah, Hallelujah
(It's glory, it's glory, it's glory, it's glory)
Hallelujah, Hallelujah
(It's glory, it's glory, it's glory, it's glory)

Hallelujah, Hallelujah
(It's glory, it's glory, it's glory, it's glory)
Hallelujah, Hallelujah

(It's glory, it's glory, it's glory, it's glory)
Yeah, glory, glory

Hallelujah, Hallelujah
(It's glory, it's glory, it's glory, it's glory)
Hallelujah, Hallelujah
(It's glory, it's glory, it's glory, it's glory)

Hallelujah, Hallelujah
(It's glory, it's glory, it's glory, it's glory)
Hallelujah, Hallelujah
(It's glory, it's glory, it's glory, it's glory)
Yeah, glory, glory
