Came to New York, it's all I need  
Tell me the beat, so I can sleep  
All night long, all night long, all night long

Who is gonna cross the road for me  
When I'm in trouble, man?  
(I know)  
I'm in trouble, man  
(I know)

Who is gonna cross the road for me  
(Who knows?)  
When I'm in trouble, man?  
(Soul)  
I'm in trouble, man

Yeah, I like the way you look, let's go all night  
This is my baby, make everything alright  
And I can't sleep, the city's too clear  
I wanna keep my focus, see it again

I wanna get my balance, yeah, I feel alright  
Wake up at night, all day, all night  
24-7, I ain't ever gonna stop  
When I get this feeling, I just wanna rock

Who is gonna cross the road for me  
When I'm in trouble, man?  
(I know)  
I'm in trouble, man  
(I know)

Who is gonna cross the road for me  
(Who knows?)  
When I'm in trouble, man?  
(In trouble)  
I'm in trouble, man

How deep is your man, how deep is your man?  
How deep is your man, has he got a lan  
Got the real a lan, got the real style  
Steve McQueen vibe, I'll drive for miles

Who is gonna cross the road for me  
When I'm in trouble, man?  
(I know)  
I'm in trouble, man  
(I know)

Who is gonna cross the road for me  
(Who knows?)  
When I'm in trouble, man?  
(In trouble)  
I'm in trouble, man

Who is gonna cross the road for me?  
(For me)  
'Cause I'm in trouble, man  
Oh, I'm in trouble, man

Oh, I'm in trouble, man  
Ah, yes, my-my-my-my  
Take me down
