Institutions, you went through them
Ohhhhh from the age of five

And no one loved ya
Cared if you lived or you die

Here we go again
In your room your idol pleasures
The sinking sands
Fell through the net no one to catch ya

Here we go again
In your room your idol pleasures
The sinking sands
Perhaps I could make it better

I got the keys to the world girl
Mixed up world
I got the keys to the world girl
Suicidal world
I got the keys to world girl
Ohhh mixed up world
I got the keys to the world girl
What ya gonna do when we get there when we get there

Confrontations, you expect them

Ohhhh, if someone never loves

And theres no point in fighting
The truth is they'll never return

Here we go again
In your room your idol pleasures
The sinking sands
Fell through the net no one to catch ya

Here we go again
In your room your idol pleasures
The sinking sands
Perhaps I could make it better

I got the keys to the world girl
Mixed up world
I got the keys to the world girl
What we gonna do when we get there
I got the keys to world girl
Ohhh suicidal world
I got the keys to the world girl
What ya gonna do when we get there ... when we get
there

What will be will be
