Yeah, baby

You know this feeling when you catch a wave  
You wanna ride it to the end of your days  
We're busy doin' it, we're busy makin' it  
We're busy shapin' it, creatin' it and makin' it

I know the feeling when you're so damn numb  
Life passes you by, yeah, you're feeling the blues day  
We're busy doin' it, we're busy makin' it  
I'm busy shapin' it, creatin' it and makin' it

Now be sweet, let me, let me ride  
I wanna ride in my mind to the, the morning sunshine  
Now be sweet, let me, let me ride  
I wanna ride in my mind to the, the morning sunshine

You know the feeling when you hit a wave  
You wanna ride it to the end of your days  
I'm busy doin' it, I'm busy makin' it  
I'm busy shapin' it, creatin' it, not takin' it

Now be sweet, let me, let me ride  
I wanna ride in my mind to the, the morning sunshine  
Now be sweet, let me, let me ride  
I wanna ride in my mind to the, the morning sunshine

Now be sweet, let me, let me ride  
Let me ride in my mind to the, the morning sunshine  
Now be sweet, let me, let me ride  
Let me ride in my mind to the, the morning sunshine

You got me goin' now  
Oh, oh, oh, you know you got me goin' now  
Oh, oh, I wanna ride in my mind, oh yeah  
I wanna ride in my mind, baby, come on

Now be sweet, let me, let me ride  
I wanna ride in my mind to the, the morning sunshine  
Now be sweet, let me, let me ride  
I wanna ride in my mind to the, the morning sunshine

Oh, now take me, yeah, yeah, yeah  
Yeah, yeah, yeah

Now be sweet, let me, let me ride  
Let me ride in my mind to the, the morning sunshine  
(I'm feeling sweet, I'm alive)  
Now be sweet, let me, let me ride  
(Gonna ride in my mind to the morning sunshine)  
I wanna ride in my mind to the, the morning sunshine

I'm feeling sweet, I'm alive  
Gonna ride in my mind to the morning sunshine  
I'm feeling sweet, I'm alive  
Gonna ride in my mind to the morning sunshine  
I'm feeling sweet, ooh-ooh, yeah, oh-whoa

Na  
Na  
Na
