Slow was my heart  
And so you had gone  
So we move on  
Please stay strong

It keeps on turning, yeah, yeah, for everyone  
We keep on learning, yeah, yeah, to kiss the sun

Weak was my strength  
Your hand I should have lend  
So we move on  
Please stay strong

It keeps on turning, yeah, yeah, for everyone  
We keep on learning yeah, yeah to kiss the sun  
Like everyone

Fly, fly my plane  
To an eastern runway  
And tell me why  
Love must die

It keeps on turning, yeah, yeah, for everyone  
You keep on learning, yeah, yeah, to kiss the sun

I'm just like everyone  
(Keep on learning, yeah, yeah)  
(Keep on learning, yeah, yeah)  
(Keep on learning, yeah, yeah)  
(Keep on learning, yeah, yeah)

(Keep on learning, yeah, yeah)  
(Keep on learning, yeah, yeah)  
(Keep on learning, yeah, yeah)  
For everyone  
(Keep on learning, yeah, yeah)  
(Keep on learning, yeah, yeah)  
(Keep on learning, yeah, yeah)
