I ain't got time for your politics  
Or your masqueraded Machiavellian tricks  
Goodbye, you know I ain't got time

You don't deny it, it's abuse of the cross  
Let's get some of God squad in the dock  
Where they belong, where's your song?

It's a, I know that your wrong  
You gotta learn the way you do  
Take my advice, don't let 'em treat you like a fool  
Hey babe, I'm gonna look you in the eye  
That's when we started singing

Why not, why not nothing?  
Why not, why not nothing?  
Why not, why not nothing?  
Why not, why not nothing?

Tonight I need survival through your everyday  
Who the fuck are you when you take that mask away?  
Friend, I don't know, oh, where do we go?

I do not know what's real on the screen  
Hollywood's directing world war 3  
What's going on? Oh pass me the gun

It's a, I know that your wrong  
You gotta learn the way you do  
Take my advice, don't let 'em treat you like a fool  
Hey babe, I'm gonna look you in the eye  
That's when we started singing

Why not, why not nothing?  
Why not, why not nothing?  
Why not, why not nothing?  
Why not, why not nothing?

Why not, why not nothing?  
Why not, why not nothing?  
Why not, why not nothing?  
Why not, why not nothing?

'Cos it's a, I know that you're wrong  
You gotta learn the way you do  
Take my advice, don't let 'em treat you like a fool  
Hey babe, I'm gonna look you in the eye  
That's when we started singing

Why not, why not nothing?  
Why not, why not nothing?  
Why not, why not nothing?  
Why not, why not nothing?

It's a I know that your wrong  
You gotta learn the way you do  
Take my advice, don't let 'em treat you like a fool  
Hey babe, I'm gonna look you in the eye  
That's when we started singing

Why not nothing?  
Oh, why not nothing?  
Oh, why not nothing?  
Oh, why not nothing?
