Forbidden
(Richard Barone & George Usher)

Forbidden eyes
know who you are
long before you ever say your name

They see you come
they see you go
and watch you dance a circle 'round the flame-

Forbidden, Forbidden
The sign says you can't pass through these doors

Forbidden, Forbidden
this world you live in isn't yours.

Forbidden words
know what you want
long before they're whispered in the night

They hold your hand
they hold your heart
and watch you dance alone by candlelight-

Forbidden, Forbidden
The sign says you can't pass through these doors

Forbidden, Forbidden
This world you live in isn't yours.

Forbidden eyes
they see you go
and watch you dance a circle 'round the flame

Forbidden eyes
know who you are
long before you ever say your name-

Forbidden eyes
Forbidden words

Forbidden thoughts.
