I'll be your mirror
reflect what you are
In case you don't know

I'll be the wind, the rain and the sunset
The light on the door to show that you're home.

When you think the night has seen your mind
That inside you're twisted and unkind -
I will stand to show that you are blind
Please put down your hands 'cause I see you.

I find it hard to believe
You don't know the beauty you are.
But if you don't, then let me be your eyes,
The hand to your darkness, so you won't be afraid.

I'll be your mirror
I'll be your mirror
I'll be your mirror...
