Y?lmad?m tukenmedim
Yorulmadan hep bekledim
Ha simdi bugun ,ha simdi yar?n
Gece gunduz dua ettim

Bu ceza ,bu hukmun sonu nereye
Dayanmaz yuregim belki seneye

O zaman ya benimsin ya elin
Nolur soyle, nolur soyle

Offfff (An expresion that she's sick of it- not ok with the situation)

Then you're the death or the wedding
You're the fire or my ash
Be my face or sadness

O zaman nolur dinle, nolur dinle
O zaman ya atessin ya kulum
You're the death or the wedding
You're my face or autumn
But please listen
