AHHHHHHHHHHHHHHHHH!

AHHHHHHHHHHHHHHHHH!

Blinded (Change to Blind Me)

Erase what was

Stillborn, I have become

The feelings I once felt are now dead and gone

I've waited here for you for so very long

So empty

Just a shell of a man

Stillborn, this I understand

The feelings I once felt are now dead and gone

I've waited here for you for so very long

[But], I've waited here for you, so long

[But], I've waited here for youâ€¦ for you

The feelings I once felt are now dead and gone

I've waited here for you for so very long

[But], I've waited here for youâ€¦ so long

[But], I've waited here for youâ€¦ so long

[But], I've waited here for youâ€¦ so long

I waited here for you â€¦ for you
