I've seen the morning burning golden
On the mountain in the skies
Aching with a feeling of the freedom
Of an eagle when she flies

She heard it in the world today
She smiled upon my soul as I lay dying
Even as the colors in the sunshine
In the shadows of her eyes

Waking in the morning with the feeling
Of her fingers on my skin
Blocking out the traces of the people
And the places that I've been

Teach me that yesterday was something
That I never thought of trying
Walking up tomorrow and the
Money lovin' time we had to spend
Lovin' her was easier than anything I'll ever do again

Love was close together with a feeling
That I've never known before in my time
She ain't ashamed to be a woman
Or afraid to be a friend

I don't know the answer to the easy way
She opened every door in my mind
But dreamin' was as easy as believin'
It was never gonna end
Lovin' her was easier than anything I'll ever do again
