## Verse 1

Hollywood dreams  
Are just obscene  
Nothing's what it seems  
But this is where I'll stay  
Dreaming of the day  
When I'm homeward bound  
Leave this empty town  
Want to get away  
Want to get away  
Don't want no lonely panic  
Can't take this crosstown traffic

## Chours

And all I want is  
A little love  
A little money  
And you  
And what I need is  
A cosy room  
And better yet  
Just you

## Verse 2

I used to long  
For clear blue skies  
Days of wealth and ease  
And now they're here  
And I live  
In a land of palm trees  
But it isn't real  
And I don't know a soul in the town I never thought that  
Sunshine would never let me down
