I don't think you love me
Confusion settling in
I don't think I'll be staying
Around here, anymore
There's no question that I love you
But I'm living in my own time
And here I am debating
Whether I'm wrong, or right
Who am I To make a judgement of Your life
I'm only Passing by
Passing by All the promises I gave you
Helped me to survive
And all the times I wished you'd save me
You were the love of my life
Who am I To make a judgement of Your life
I'm only Passing by
Passing by Who am I To make a judgement of Your life
I'm only Passing by
Passing by Who am I To make a judgement of Your life
I'm only Passing by
Passing by
I'm only passing by ...
