Rimi rimi ley li, ley li limi ley
Rimi rimi ley li, ley li limi ley
Rimi rimi ley li, ley li limi ley
Rimi rimi ley li, ley li limi ley

Yamah-ahâ€¦

I believe everybody gets their chance to shine
I believe love found a way to you and I

Ley limi ley, rimi rimi ley
I still believe that everyone will have their day
Ley limi ley, rimi rimi ley
I still believe that love will always find a way

Kiss my tears when I'm crying
Like an angel you take me flying
Out in the darkness you'll be shining
Like a star, shining like a star

If I stumble, stop me falling
If there is trouble, you're a warning
Like a whisper, I hear you calling
From afar, calling from afar

Lah-ahâ€¦

I believe everybody gets their chance to shine
I believe love found a way to you and I

Ley limi ley, rimi rimi ley
I still believe that love will always find a way

Kiss my tears when I'm crying
Like an angel you take me flying
Out in the darkness you'll be shining
Like a star, shining like a star

If I stumble, stop me falling

If there is trouble, you're a warning
Like a whisper, I hear you calling
From afar, calling from afar

Kiss my tears when I'm crying
Like an angel you take me flying
Out in the darkness you'll be shining
Like a star, shining like a star

If I stumble stop me falling
If there is trouble you're a warning
Like a whisper I hear you calling
From afar, calling from afar

Rimi rimi ley li, ley li limi ley
Rimi rimi ley li, ley li limi ley
