Today is not my very last
Maybe tomorrow I will laugh
You have been standing
On my face for many years
By now it's time at last
For you to know your fears

I've seen a thousand wonders
I'll be the lord of life
I dream of vast illusions
Surrounded by the night

I turn and I fly

Dust to dust and ashes to ashes
The road of gold is paved with tears
You know the last ones might be the fast once
Your superiority won't last

B.

I've seen a thousand wonders
I'll be the lord of life
I dream of vast illusions
Surrounded by the night

R.

I turn and I fly
And I fly

B.

The stones you placed in my way are
Nothing but sand in my shoes
None will break me but even make me
Stronger than ever before

I turn and I fly
And I fly
I fly
