1.

I am two in one and I hear: everyday the same  
There's a beast inside me and it touched my brain  
again  
I do things I never wanted, I'm sick in my mind  
I live inside a dark room, I left my soul behind

R.

Insane - I feel ashamed  
I'm not able to stop that game  
Insane - I follow you  
Let me die along with me  
Insanity is the truth

B.

Lightnings all around my head  
Moving shadows, am I insane?  
I climb to god to kiss his face 'cause  
He is able to kill my day

2.

I'm a priest and servants are my psychopathic ideas  
My mood is so down but I can't see my tears  
When I talk to myself I can't understand my words  
I must be strong, I must be brave, my soul is hurt

R.

Insane...

B.

Lightnings all around my head  
Moving shadows, am I insane?  
I climb to god to kiss his ass 'cause  
He is there to kill my day

Solo: P+T

R.

Insane  
Insane - I feel ashamed  
I'm not able to stop that game

Insane - I follow you  
Let me die along with me  
Insanity is the truth
